- Each volunteer hour that is not completed will be given a penalty of 20 dollars per hour payable to the club.
- You will be asked to write post dated checks for all monthly classes as well as checks (post dated for the end of May) for the total fundraising commitment and volunteer hours ex: 20 volunteer hours = \$400.00
- Your postdated checks will be given back to you when you are finished your obligations. If you have partial credits, we will ask you to pay the remainder of the balance owed and return your postdated check(s)
- All competition fees must be paid upon registration. The coaching expenses for said competitions will be a shared cost (all athletes attending) that will be included in the cost for the competition.
- If you have fundraised more than your required amount, extra fundraising can go towards your competition entry fee and/or the coaches expenses.
