

## **CAMPBELL RIVER GYMNASTS START THE SEASON OFF STRONG**

The Campbell River gymnastics association participated in two early competitions to get the year going. The First competition was held in Duncan where sisters Kayla and Melissa Morton came home with the All Around titles in their respective divisions. The competition was a warm up meet to get ready for the upcoming year and for the BC winter Games Trials where Aimee Clark came home with the all around title in the Level 5 division as she now prepares for the games and for Western Trials later in the year. The competitions were good learning experiences for all the girls as many of the girls have tried to move into higher levels and test out their new skill in competition. 8 girls brought home 26 medals from the Duncan competition and coaches believe that there is much room for improvement as many errors can be fixed going into the competitive season.
